

## The Stokers' 2019 Quiz - United Kingdom Geographical Features - Official Answers

**The answer to each question is the name of a River (R1-R18), a Lake/Loch (L19-L21), Mountain (M22-M30) or an Estuary/Bay (E31-E40)**

Thank you for your generous support. Together we've raised well over £400 for "All We Can", plus GiftAid.

We had a number of sets of all-correct answers. The winner drawn out of the hat is Anne Camm and family of Wilmslow and Kuala Lumpur. They have kindly donated their prize to the charity

Feel free to use this quiz for your own purposes - electronic version of this, and past quizzes, available.
